Disabled people engage with:

- **COMMUNITY**
- **CIVIL SOCIETY**
- **SERVICE PROVIDERS**
- **POWERHOLDERS**

**BOOSTING A POSITIVE CYCLE OF CHANGE**

- Practice and behaviours become more inclusive.
- Attitudes towards disabled people shift.
- People’s understanding of disability shifts.

**OUTCOMES**

- Greater equality in access to rights, including rights to services.
- Greater inclusion of disability dimension in all areas of social and economic development.
- Greater inclusion of disabled people in all areas of life.

**VALUE OF OUR WORK**

- **STRONGER DISABLED PEOPLE’S ORGANISATIONS.**
  - They become more effective...
    - In supporting disabled people to access opportunities.
    - At campaigning for changes in attitudes, policies, practice.
  - They become sustainable and inclusive organisations.

- **STRONGER DISABILITY MOVEMENT.**

**OUR THEORY OF CHANGE.**

- **RESOURCES.** Mobilise funding and other resources to support disabled people’s organisations.
- **CAPACITY.** Provide capacity building support to disabled people’s organisations.
- **LEARNING.** Generate learning and evidence on disability and inclusive practice.
- **INFLUENCE.** Influence development policy and practice to be disability inclusive.

**STRENGTHENING THE DISABILITY MOVEMENT**

- Inform
- Support
